Join us for a weekend retreat where we will seek to understand God and ourselves better. Our speaker, Asia Frye, will help us explore how we as women are made in God's own image, and how we can model ourselves after Jesus. We will embrace what it means for us to be women, and encourage each other on our journeys.

***Our program and input will conclude on Saturday afternoon. However, participants who desire additional time to rest and recharge are welcome to stay through Sunday morning.*
