

NEPALI MINISTRY REPORT

Dear Prayer Partners,

Thank you for your prayers and support for Nepali Churches.

Despite the pandemic, the month of December was festive for many churches in the Midwest. We spent time singing carol songs, performing traditional gospel songs and dances, and the telling the Good News of the birth of our savior Jesus Christ. However, I also held my regular teaching and meeting schedules.

Bible Study and Prayer

I have been teaching from the Romans and 1 Corinthians every Thursday 6-8 pm. There were 21 participants in each class from Wisconsin, Illinois, Minnesota, Missouri, and South Dakota.

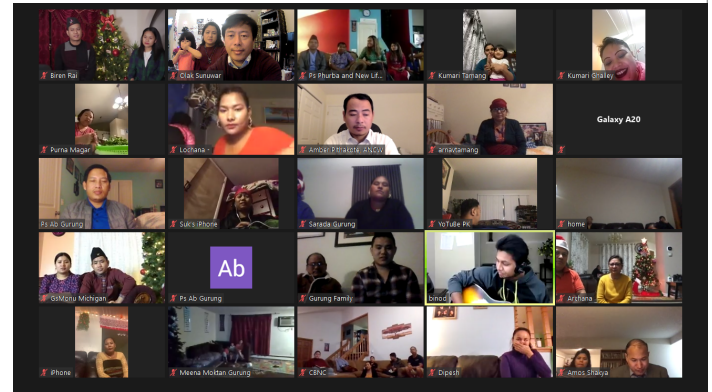

All Midwest Nepali-Speaking Churches Christmas Celebration

I helped organize and participated in pre-Christmas celebration among all the Midwest Nepali-speaking churches on Dec. 12. Approximately 200 participants attended virtually for the celebration. It was a blessed celebration with Nepali traditional dress, Christmas songs and dance. God's joy expressed through celebration.

International Nepali-speaking Leadership Training

On December 8th and 22nd, I taught the "Principles of Justice" in the International Nepali-speaking Leadership Training. There were 200 pastors and leaders representing countries around the world.

I continuously met with Nepali pastors and leaders in Nepal on Tuesday evening from 6pm-8pm and discuss contemporary politics and the role of Church.
